Madison County Library Board of Trustees
Minutes for January 9, 2003

In attendance: Gerald Ingram, Ramona Booth, Kathryn Ames, Judy Atwood, Michael Moak, Alice Sturgis, Elizabeth Murray, Margie Richards, Jackie Griffeth, Suzanne DeGrasse

Mr. Gerald Ingram, Chairperson, called the meeting to order. Mr. Ingram stated that Trustee Gail Bates would not be attending due to the illness of her son. The printed agenda was approved. Minutes for the October 10, 2002, meeting had not been included in the meeting notice to Trustees, therefore, approval of said minutes was delayed until copies could be made for each Trustee.

Chairperson's Report – Gerald Ingram

Motion made, seconded and approved to amend the minutes of April 11, 2002, under the "Buildings and Grounds" report to read "... D & D Housecleaning bid of \$675.00 per month be accepted."

This replaces "... bid of \$650.00 per month" as originally in minutes. This change is due to the invoices which have been paid since July, 2002 have been for \$675.00 per month. Discussion was held concerning amending the budget for 2003 for cleaning service from \$7,500 to \$8,100 to reflect the above amendment. Decision was made not to amend the budget at the present time, but to examine it later and amend if necessary.

Copies of committee appointments were distributed. All Board members agreed to serve on committee assigned.

Branch Manager's Report – Suzanne DeGrasse

Distributed quarterly statistics and activities report. Announced that circulation and patron statistics were still up from last year. Reported that many items donated to the library had been added to the collection and the ones not used for the collection had been given to the Friends of the Library for the next book sale. Miss DeGrasse asked Trustees to encourage anyone with pictures of pre-1945 Black families in Madison County to bring them to the library for inclusion in the Madison County Picture Archives during February, which is Black History Month.

Two new flat-screen computers have been added to the Library. These had been purchased with Federal funds administered by the State of Georgia. To stop the loss of computer headsets patrons must now leave a personal item, i.e. keys, etc, with the librarian while using headsets. This procedure is working well.

Regional Director's Report – Kathryn Ames and Judy Atwood

Distributed financial and circulation reports. Announced that the Family Place grant had been approved. This will be used to provide books, programs, and educational toys to assist parents in improving their parenting skills. Specialists in child rearing will give counsel to parents during special programs and children will be able to use the educational toys at this time.

A "Latino" grant has been applied for to assist library personnel and trustees in developing a better understanding of the local Hispanic population and in setting up needed services and programs for this Hispanic population. A major component of this grant proposal will be for library personnel to travel to Mexico to improve their understanding of the background and needs of the Hispanics. Some funds for collection development will be available from this grant if approved.

Mrs. Ames discussed the problem of future budget cuts by the state. She distributed graphs showing state support for maintenance and operation and materials for the last 23 years. These graphs show actual support and inflation. Further budget cuts would drastically reduce collection improvement and all services and personnel. Distributed sheet showing the requests being made to the State Legislature by the Office of Georgia Public Libraries for funding in the state supplemental budget for FY 2003. Each item was discussed. A list of local state senators and legislators was distributed. Trustees were encouraged to contact these and impress upon them the need to keep funding for libraries as high as possible. Legislative Day luncheon was announced for February 13, 2003 in Atlanta. Any Board member who can attend must notify Mrs. Ames before January 31, 2003.

Mrs. Ames stated that the major goal for the Regional Library System for 2003 was to survive the hard economic times of 2003 without cutting employees. Discussed some of the problems, which would be caused by reduced funding from county and state sources.

The Board of Trustees was asked to encourage anyone they knew with vision problems to join the Talking Book Service.

Mrs. Judy Atwood discussed the assessment of training needs for library staff now being conducted. Mrs. Atwood reported on the December 17, 2002 training session for library personnel on safety and insurance claims.

Mrs. Ames reviewed the budget and stated that expenditure and receipts were on track for the year. She explained to the Board the "Reserve Fund" section of the budget.

Friends of the Library –Elizabeth Murray

Reported on the December 2002 Friends meeting. Announced the Friends had donated \$6,000.00 to the Library. \$1900.00 was made on the fall book sale. The next blood drive will be May 12, 2003. All Board members encouraged to attend Friends meetings.

Building and Grounds – Elizabeth Murray

The county has still not repaired the large brick Library sign and several other needed repairs are not being done by the county in a timely manner. Mrs. Murray will contact Commission Chairman Wesley Nash about this problem.

Other Committees – no reports**Old Business**

Constitution Revision tabled due to final draft not available.

Motion made and approved for Cleaning Contract with D & D Housecleaning for March 1, 2003 through December 31, 2003 at \$675.00 per month.

Grounds contract with Angels of the Earth for October 25, 2002 to December 31, 2002 at \$183.75 per month was approved.

Gerald Ingram recommended grounds contract proposal from Angels of the Earth for January 1, 2003 to December 31, 2004 at \$183.75 per month. Motion was made, seconded and approved to accept this contract.

New Business - none

**MADISON COUNTY LIBRARY BOARD OF TRUSTEES
MINUTES FOR OCTOBER 9, 2003**

The Madison County Library Board of Trustees met at 4:30 P.M. on October 9, 2003 in the conference room of the Madison County Chamber of Commerce. In attendance were: Gerald Ingram, Michael Moak, Ramona Booth, Kathryn Ames, Judy Atwood, Alice Sturgis, Margie Richards, Fern Coutant, Jackie Strickland, Suzanne DeGrasse.

Mr. Gerald Ingram, Chairperson, called the meeting to order. He welcomed Mrs. Fern Coutant, who had been absent from the last two meetings and announced that Elizabeth Murray had fallen and due to her injuries would not be attending.

The minutes of the July 10, 2003 meeting were approved, after the Board voted not to filter the category on "Dating" in the SMARTFILTER list from the state. This category had been left with a question mark at the July 10, 2003 meeting.

Mr. Ingram reported that the Friends of the Library Book Sale had conflicted with Board meetings on two occasions this year and asked that the library calendar be consulted before the Book Sale was scheduled in the future. Board of Trustee meetings take precedent over any other scheduling for the library meeting room.

Branch Manager's Report – Suzanne DeGrasse

A copy of the quarterly statistics and activities report was distributed. Circulation statistics were a little lower for the summer, but this is true each year. A large number of donations have been made and will help the Book Sale. Many displays of interest have been the library recently. Over 400 children participated in the Summer Reading Program. The Family Place Workshops were successful, but participation was not as high as expected. This workshop will be offered again in the future, and all avenues of increasing participation are being explored. A Grassroots Art Grant is being applied for to bring artists to the library for workshops. Ms. DeGrasse has applied for graduate school and is awaiting word on her application.

Assistant Regional Director's Report – Judy Atwood

Mrs. Atwood reported she and Ms. DeGrasse had met with director of the Family Place Workshops and obtained many ideas for reaching additional patrons for future workshops. Branch managers are now meeting with John Brantley and studying a program on supervision of entry level staff.

Regional Director's Report – Kathryn Ames

State budget reductions have resulted in reductions of book budgets to \$.34 per capita and staff and service reduction on the regional level. Further reductions in funding are expected next year. Madison County Library is in sound financial condition due largely to the generosity of the Friends of the Library. Budget expenditures are on track for the year. A budget request for the new year has been submitted to the Madison County Board of Commissioners, but no reply has been received as of this date.

Mrs. Ames announced as a matter of information that any patron over 17 years of age could request the filter on library computer he was using be removed without explanation and libraries would have to comply. Removing filter is no problem, but replacing it is labor intensive. Mrs. Ames expects state to make this process easier before new SMARTFILTER is in libraries.

Use of libraries as public forums and legal implications was discussed. Mrs. Ames cited several cases of libraries being sued for use of bulletin boards, meeting rooms, give-away items, etc. Madison County Library policies on bulletin boards and meeting rooms will be forwarded to Kathy Helms, attorney specializing in library issues, to make sure Madison County policies meet the legal requirements.

Friends of the Library – Michael Moak

The Friends Book Sale is in progress, October 9-18, 2003. The Friends will have a booth at the Danielsville Fall Festival on October 18. The Friends approved the request for scholarship to assist Branch Manager, Suzanne DeGrasse with graduate school expenses. The Friends should have a large gift for the library this year. Next Friends meeting is October 16, 2003.

Nominating Committee- Elizabeth Murray, Gail Bates, Alice Sturgis

In the absence of committee chairperson, Elizabeth Murray, Gerald Ingram presented the report of the committee. Nominations for officers for 2004 were Chairman- Michael Moak, Vice-Chairperson – Ramona Booth and Secretary- Margie Richards. A motion was made to accept the report and approved. A motion was made to approve the above nominations and passed.

Mr. Ingram asked that any Board member who was available to attend the Regional Board meeting on Thursday, October 16, 2003, since Mrs. Murray would not be able to attend.

Building and Grounds Committee – Ramona Booth

Ms. DeGrasse stated that a shrub that was destroyed by the grounds Maintenance Company, Angels of the Earth, had not been replaced as promised. Ms. DeGrasse will discuss this problem with them again and try to resolve it.

Personnel Committee – Gerald Ingram

Mr. Ingram asked that the Personnel Committee, consisting of Elizabeth Murray, Margie Richards and Fern Coutant began to make a study of the salaries and benefits of library personnel in the area and in comparable positions in local government. This study will be used as groundwork for future requests for salary increases/decreases and benefits for Madison County Library staff.

Special Projects – Suzanne DeGrasse

The Picture Archives is requesting pictures of past family holiday gatherings. These will be used for the archives and for a special holiday display.

Old Business

Maintenance problems with the library building were discussed. Some problems have been reported several times and still not repaired. Leak in the roof especially needs repairing now. The Branch Manager will report the needs again to maintenance and if not corrected within 5 working days, Mr. Ingram will discuss the problem with the Chairman of Madison County Commissioners.

New Business

Assistant Regional Director, Judy Atwood presented a Policy Recommendation for Study Room Use. The need for such a policy was discussed and the policy (attached) was approved. A copy of the approved policy with the following sentence added will be attached to each study room door. "Please sign in at the desk before entering study room."

Next meeting was announced for January 8, 2004. There being no further business the meeting was adjourned.

Respectfully submitted,

Ramona H. Booth, Secretary, Madison County Library Board of Trustees
